- **Sign in:** Exhibitors must sign in at the event information tent & gather exhibitor kit on arrival

-**Insurance:** All exhibitors are responsible for ensuring that their vessel is covered by a current insurance policy

-**Displays:** please bring & display your own boat info/history/picture boards etc. These must be secured (windy conditions) & not create a trip hazard

-**Parking:** Vehicles can be parked in any of the Seaport precinct car parks. (normal fees apply)

-**Directions:** **Toilets;** are available at all seaport restaurants
Event Registration; at the event information tent
Food coffee etc; can be purchased from all seaport restaurants

- **Overnight security:** security personnel will patrol the event site from 8pm Saturday till 7am on Sunday. If you are concerned about the security of any of smaller items during this period, we suggest that you remove them overnight.

Boats mooring on water/at the dock.

- **Arrival time:** exhibitors can moor their boats from Friday afternoon onwards on the weekend of the rally. Large vessels are advised to dock at high slack water. If possible all moored boats should arrive before 9.30am on Saturday.

- **Sign in:** Exhibitors must sign in at the event information tent & gather exhibitor kit on arrival

- **Insurance:** All exhibitors are responsible for ensuring that their vessel is covered by a current insurance policy

- **Displays:** please bring & display your own boat info/history/picture boards etc. These must be secured (windy conditions) & not create a trip hazard

- **Mooring equipment:** all exhibitors must bring; **two** bulky fenders (as a minimum), 2 x mooring ropes, 1 x spring line.

- **Launching ramp:** trailer boats can be launched at the Tailrace Park boat ramp at Riverside or the Royal Park boat ramp (Park Street). Note: Royal Park ramp is muddy and quite flat... not suitable for launching larger boats.
